

St. John Neumann Regional Catholic School Annual Report 2022-2023

Dear Saint John Neumann Regional Catholic School Community,

The 2022-2023 school year was our Saint John Neumann Regional Catholic School's thirty-sixth year serving our community, and my first year as principal of our wonderful school. It was a year full of new beginnings, with many new teachers, staff members, and students joining our community. Despite all these changes, SJNRCS continued its mission of providing students with academic excellence in an environment rich in Catholic values.

High-quality instruction and faith development were at the center of all our work. Our teachers continued to challenge our students with rigorous and engaging assignments and encouraged our students to always do their best. 100% of our eighth-grade students were accepted to the high school of their choice. The eighth-grade class also had a wonderful retreat and most of these students reported feeling closer to God than ever before. We continued to attend Mass weekly, and almost all our K-8th grade students had the opportunity to read and serve during Mass. Our students also continued to perform higher than the national average on the Iowa Test of Basic Skills and the CogAT.

Students at SJNRCS thrived last year and did a wonderful job representing our school. Numerous middle school students had their essays and stories published. Our Drama Club put on two amazing performances for our community. For the second year in a row, our third-grade students were crowned champions of the Battle of the Books competition and many other grade levels fared well in this competition as well. Finally, Zach Yimtatu was crowned the Archdiocese of Atlanta's Spelling Bee Champion and the winner of the Knights of Columbus Essay Contest!

Your generosity and support made it possible for us to complete the renovation of our media center, continue to provide 1 to 1 technology for our students, renew many online subscriptions, employ two resource teachers to assist struggling students, and continue many other educational initiatives.

I thank all of you who graciously donated in support of our school's mission of providing academic excellence in an environment rich in Catholic values. It is through your contributions that we can close the gap between the actual cost of educating our students and the price of tuition. I know that this would not be possible without your generosity, and I truly appreciate your support for SJNRCS.

God Bless,

Mike Remshik

Total Expenses \$3,166,634

Net Revenue \$214,341

COMMUNITY COMING TOGETHER

iGiveCatholic 2020

SJNRCS was excited to once again participate in #iGiveCatholic on #GivingTuesday, our nation's day of giving! #iGiveCatholic kicks off the charitable season and brings the Catholic community together to give thanks and give back.

This year, we raised \$3575 to go towards our annual fund. We appreciate everyone who supported the SJNRCS during #iGiveCatholic!

#iGIVECATHOLIC

St. John Neumann Regional Catholic School is grateful for the individuals and families who have supported our students through GRACE Scholars. This student scholarship organization, established by Archbishop Gregory and Bishop Boland of Savannah in 2008, provides tuition assistance to families with financial need. A taxpayer in Georgia may redirect part of their income tax to GRACE Scholars which in turn goes to a designated Catholic school of their choice.

www.GRACESCHOLARS.org
Thank you again for our 2021 supporters of GRACE Scholars!
